BIOGRAPHY

Born in Fukushima, Japan in 1985. During his study at Sugino Fashion University in Japan, he acquired experiences of interning in Antwerp, Belgium for 1 year. Right after graduating the University, he moved to Italy to work as a fashion designer. Then he worked for ANTONIO BERARIDI. Based on his experiences of living and working in Italy for 1 and a half years, he finally shared his collection in U.S., Germany, New Zealand, Singapore, and China. He was also received a lot of different awards through his collection. In 2011, He established RYOTA SHIGA as a fashion brand. His mission as a fashion designer, he is constantly challenging to contribute and inspire every single individual whom he encounters for their eternal happiness through his designed clothing and creations.
